

Dear Madam,
Dear Sir,

On behalf of the Board of the Belgian Endocrine Society we would like to invite you to participate in the **34th annual meeting of the Belgian Endocrine Society** that will take place in Dolce La Hulpe on October 11 & 12, 2024.

Basic science, translational research and especially clinical research of interest for scientists and clinicians working in the field of endocrinology will be presented. In addition to lectures by leading authorities, sessions will include presentations by young investigators, all together creating an attractive program for a large audience.

The previous editions of the BES meeting allowed us to gather more than 120 participants.

We kindly invite you to contribute to/participate in this event by your presence as sponsor and/or by supporting the registration of (young) endocrinologists.

Practical information:

- Date and time:
 - The meeting will start on Friday October 11 around 2 PM and will end on Saturday October 12 around 2 PM (exact timings to be confirmed later).
- Location:
 - Dolce La Hulpe – 135, Chaussée de Bruxelles – 1310 La Hulpe.
- Preliminary program
 - As soon as the preliminary program is finalized, we will publish it on the BES website. Focus will be this year on
 - Aging males
 - Diabetes Technology
 - Neuro-endocrine tumors
 - Ovarian failure
 - Thyroid disease
- Accreditation & Mdeon Visa
 - Accreditation & a V2 Mdeon visa will be requested.
 - As soon as accreditation is granted and Mdeon approved, the numbers will be published on the BES website.
